RE: Veto Request – Assembly Bill 1127

Dear Governor Newsom:

I am writing today to respectfully request that you veto Assembly Bill 1127.

This bill, if implemented, will ban, with limited exemptions, the sale of "machinegun-convertible pistols."

AB-1127 will not stop gun crime. Converting a firearm to fully automatic is already illegal under both state and federal law. Instead, this bill bans the future sale of a widely used design of firearm to law-abiding purchasers who have not committed a crime.

The measure is based on the inaccurate assumption that banning future sales of Glock or similar pistols will make them harder to obtain, despite the millions already in circulation and their continued manufacture and popularity. In reality, the bill penalizes lawful buyers and small dealers while failing to address the actual problem: illegal conversion devices already prohibited under existing law.

I thank you for your consideration and I respectfully request that you veto AB-1127. Please feel free to contact me with any questions at (916) 651-4032.

Sincerely,
